The Parks & Recreation Advisory Board's mission for Take Care of West Linn Day is to promote the value of volunteerism and community pride by making available opportunities for community members to participate in projects to give back to their community and maintain the high quality of life in West Linn. Our goal is to facilitate a large number of projects throughout the City led by community organizations. We will also promote opportunities for individuals to join one of these projects and provide an after-event to recognize volunteers.

Each year we have over 20 different projects, located at over 15 different sites, accomplished by over 20 groups.

Your organization can still choose to organize your own project. The Parks and Recreation Department will help with identifying a project, planning your project, promoting your project to obtain additional volunteers, and recognizing the effort of your volunteers.

Please let us know if your organization is interested in participating in Take Care of West Linn Day in some form. Contact Ken Warner at 503-557-4700 or email [kwarn@westlinnoregon.gov](mailto:kwarn@westlinnoregon.gov) to set up group project or find more details.

Sincerely,

Roger Shepherd, Chair  
West Linn Parks and Recreation Advisory Board
